Purpose of Report

To update Councillors of the progress made on obtaining tenders for BTC website upgrade.
Upgrade requirements included:

- More interaction with the site
- Ability to upload our own comments
- Publish a room booking diary (availability only and not on-line booking)
- Publish our Events Diary
- Events need to be more prominent
- Find Your Councillor – drop down by post code
- Possibility of virtual tours
- New photographs showing the town locations in best possible weather conditions

Four IT specialists were invited to tender for the upgrade works:

- Vision ICT
- Marketing Geeks
- IMS
- Western Web

Outline of Specification Submissions

The Criteria given above is shown on the spreadsheet overleaf together with which of the tending companies match it and the resulting costs of their quote.
