NEWS RELEASE

2nd February 2018

Brixham Town Council Seeking Manager to Run the Pannier Market

An opportunity has opened up for a member of the public or business community to step forward to run the Pannier Market following the resignation of the present manager who is leaving the post in order to further other business opportunities.

Town Clerk, Tracy Hallett, says that in the past year there have been significant strides forward in the way the Pannier Market has been managed and thanked the outgoing manager for establishing the market as a viable operation.

“However, we now have to look to the future and while Brixham Town Council are looking at a range of ideas for continuing the market, we are agreed that our preferred option is to find a member of the public or business person to take it on and drive it forward, building on the work that has been done over the past year” she said.

“We want to hear from anyone who is interested in taking up this opportunity, including the existing traders in the market, and would ask them to contact the Town Hall on 0103 859678 or email info@brixhamtowncouncil.gov.uk for more information”.
