

Brixham Town Council Strategy 2016-2019

Mission Statement

To provide a value for money service to the community of Brixham while ensuring that our voice is heard in Torbay and all avenues are explored to provide a better quality of life for all residents.

Structure of the Council

Brixham Town Council is made up of twelve elected councillors: seven for Berry Head with Furzeham ward and five for St Mary's with Summercombe ward.

The councillors are supported by a Town Clerk, Deputy Town Clerk, an Administrative Assistant and Receptionist: all reference to committees below include the relevant officers.

The Town Council also employs a Town Lengthsman.

The Council comprises four main committees:

Community Services (CS), Evaluation (E), Finance and General Purposes (F&GP) and Planning and Regeneration (P&R).

Additionally the Town Hall sub-committee (THSC) reports to the F&GP Committee.

The Policy Working Group (PG) and the Strategy Group (SG) report to the Evaluation Committee.

The Town Hall Innovation Working Group (THIWG) reports to the THSC / F&GP Committee.

The Fairtrade Working Group (FWG), the Community Health Working Group and the Community Flood plan report to the Community Services Committee.

The Brixham Peninsula Neighbourhood Forum reports to Full Council. But when the plan has been adopted it is recognised that this will be incorporated within the Planning and Regeneration Committee.

Shoalstone Pool CIC Limited (SPCIC), a company set up by and wholly owned by the Town Council comprises a Board of Directors, including three town councillors who report to BTC.

Brixham Future CIC is now an outside body and not a working group of the Town Council. They have an opportunity to report / discuss future plans and ideas to the Planning and Regeneration committee.

Relationship with Torbay Council and other bodies

Objectives

- To work constructively with the Mayor or Executive Lead, Brixham members of Torbay Council, and other Torbay Councillors and officers as required in the best interests of our community
- To establish clear lines of communication with other bodies working within Brixham
- To ensure that Torbay Council meets its duties to Brixham residents
- To establish formal means of representation to Torbay Council
- To monitor all Brixham related activity at Torbay Council so that Brixham residents do not pay twice for the services that they receive

Strategy for Delivery
