

1:1000 scale - proposed parking restrictions
 Elkins Hill, Garlic Rea & North View Road
 - Brixham

Parking either side of North View Road prevents access by emergency vehicles. However there is nowhere wide enough to allow parking at least one side. As such the whole road would have to be restricted to allow access along it which will result in major displacement of parking

Area of existing waiting restrictions. May be suited to loading ban on sharp corner for access.

Turning in and out of Garlic Rea is almost impossible for emergency vehicles when called to attend here due to parked vehicles around the junction.

Pinch point, parking either side of road prevents access by emergency vehicles

Pinch point, parking either side of road prevents access by emergency vehicles

KEY

-  Existing no waiting at any time restrictions
-  Proposed no waiting at any time restrictions
-  Proposed no loading at any time restrictions
