

## SWCE-8ACCCR Support, Care and Community Services Framework

Torbay Council has set up a Support, Care and Community Services Framework in Torbay as a list of approved Providers of accommodation, care and support services. The purpose of this Framework is to improve the quality and range of services, bringing together funding and provision to meet individual needs, and provide more flexible services.

This Framework will be used to procure (select) as wide a range of services as possible to promote the independence and inclusion of vulnerable and disadvantaged people.

The evaluation process for the Support, Care and Community Services Framework has now been completed and places have been awarded to the following organisations:
