

# Volunteers - TASTER DAY

**Exciting projects for 16 – 25 year olds, environmental monitoring and public engagement. Come along and find out how you can be involved with some challenging projects and get something valuable to add to your CV**

## **Jan – April 2010**

### **Habitat Management – WWCT – Primley Park, Paignton**

Learning practical skills you will help the warden in his day to day work of managing the woodland and meadows

### **Coastal Surveys – Torbay**

Surveying and identifying invasive coastal species, identification skills and providing valuable information for national data bases

## **April – Nov 2010**

### **Green Solutions**

Preparation / event running / evaluation

Green Solutions Festival 2010 celebrates all things green.

It takes over the October half-term and focuses on sustainable travel, local seasonal produce, regional producers, how conservation and the impacts on the environment are linked and how easy it is to make small changes yet make a big difference.

Let your inner eco-warrior go wild! Local action for global issues!

### **Local Wildlife week**

Preparation / event running / evaluation

A range of talks, activities and demonstrations with a variety of local wildlife organisations

To inspire people to explore and discover their local area  
Easter 2010

Some funding available for travel and meals, and equipment needed to carry out the tasks.
