Suggested alternative vision statements:

1. " Conserve, Protect, Enhance, Improve" *From Sue Dawes*
2. To provide the opportunity for the people of Broadsands, Brixham, Churston and Galmpton to create a Neighbourhood Plan which aims to improve and promote the economic, environmental and social well being of their community. *From Rosemary Clarke*
3. A Neighbourhood Plan for Brixham with Galmpton, Churston and Broadsands will be the template that defines our future. It will understand how health and education can only flourish where the environment in which we live and work is cherished and protected within the ever pressing demand for growth and renewal. It will understand that the need for economic vitality will always be balanced against the need for community spirit. That urban spread will never be allowed to spoil the green spaces that surround us. That new development and renovation will always be balanced against the heritage and character that make the area what it is. It will understand how transport and telecommunications are the key to ensuring that the community can grow with the times and enable more of our young people to fulfil their working lives within or very close to the areas in which they have grown up.
It will be a template which can be adapted to encompass change but one which lays out clearly those boundaries, qualities and characteristics which no-one can be permitted to challenge once the community has made clear its needs and aspirations. *From Will Baker*
4. Combining beauty of coast and countryside with a wealth of maritime heritage, the Brixham Peninsula provides the perfect environment for tourism and leisure, fisheries and water sports – a brilliant destination, a great place to live and work. *From BM21*
5. The creation of our Neighbourhood Plan aims to promote the economy, care for the environment and the social well being of the residents of the Brixham Peninsula Communities of Brixham, Broadsands, Churston and Galmpton. *From Mona Stock*

Please note the Function Room is a down stairs venue in Brixham Town hall.
