

Brixham Town Council Annual Report 2017 - 2018

Published May 2018

Message from the Chairperson

Last May my colleagues elected me as Chairperson of the Council for a second year. My thanks to my fellow Councillors but especially to Jessica Stock, Vice-Chairperson for the support she has given me throughout the year.

The role is not only, or not even, mainly about chairing meetings of the Council, but that is of course an important task. Again thanks to my colleagues for making this job much easier. Presenting cheques to groups that have been awarded a grant or awards to local people at our Council meetings is also a great honour and pleasure.

This year I presented Holly Perkin who plays for Brixham second team, the Club Colts teams and Devon Girls with the Outstanding Sports Achievement Award. In June I presented Mrs Baker with the Civic Award for Will Baker (her husband) for the hard work and dedication that he did on the Neighbourhood Plan. Will had sadly and untimely passed away.

Over the past year I have been pleased to have taken part in a range of activities including opening the Brixham Horticultural Society Autumn show, attending and often taking part in church services, attending the launch of Dave Phase 2 by Youth Genesis, judging a charity Chilli Cook-off, joining walkers who took part in the Church Crawl for Christian Aid and welcoming Victor Biwot and Esther Jemaiyo Chepwoy from Kenya to Brixham. Once again no-one can say that being the Chairperson of the Council is boring.

In recognition of the benefits they bring to the people of Brixham the Council has set aside funding and are currently in discussions to enter a partnership working agreement with Brixham Does Care, Brixham Foodbank, Brixham Heritage Museum and Brixham Theatre C.I.O. We have also supported the Brixfest, Brixham Hap'nin and the Pirate Festival.

It would be amiss of me not to acknowledge the funding and officer support that the Council has continued to give to ensure Shoalstone Pool remains open. Our thanks must go to the volunteers who form Shoalstone Pool C.I.C. and work tirelessly to ensure the pool is open every summer. I know they would want thanks recorded to the volunteers who help with cleaning and maintenance.

Brixham continues to have much to be proud of both in physical terms (Admiral pool, Shoalstone pool, the Town Hall and theatre, the Museum, Berry Head, five allotment sites, parks, to name but a few) within its community. Everyone who plays a part in the community, we really appreciate your work. Your contribution makes a huge difference to many people. Once again the Council is supporting a 'Celebrating Volunteers' event in Brixham which thanks volunteers and recognises the contribution they make.

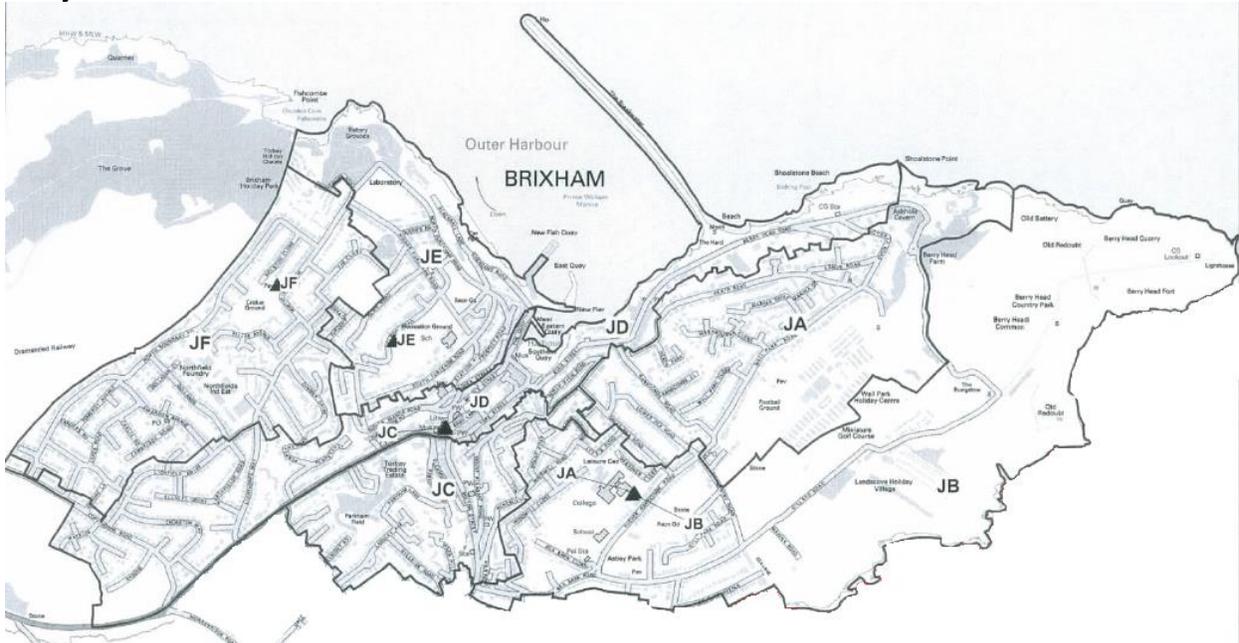

I am proud of Brixham Town Council and the work it does. Brixham has a unique identity and we must make sure this is protected and developed. The Local Government Boundary Commission for England (LGBCE) conducted a review of Wards in Torbay. In its final recommendations Brixham THE LGBCE proposed Brixham remains as Brixham (there was a proposal to move boundaries so part of Churston would join Brixham for the election of Torbay Councillors). Brixham Town Council welcomed and fully supports its findings.

Thank you to all groups who have extended the hand of friendship to me throughout my second year of office. Whoever is elected as the next Chairperson would be happy to visit groups in the town so please bear this in mind if you have an event.

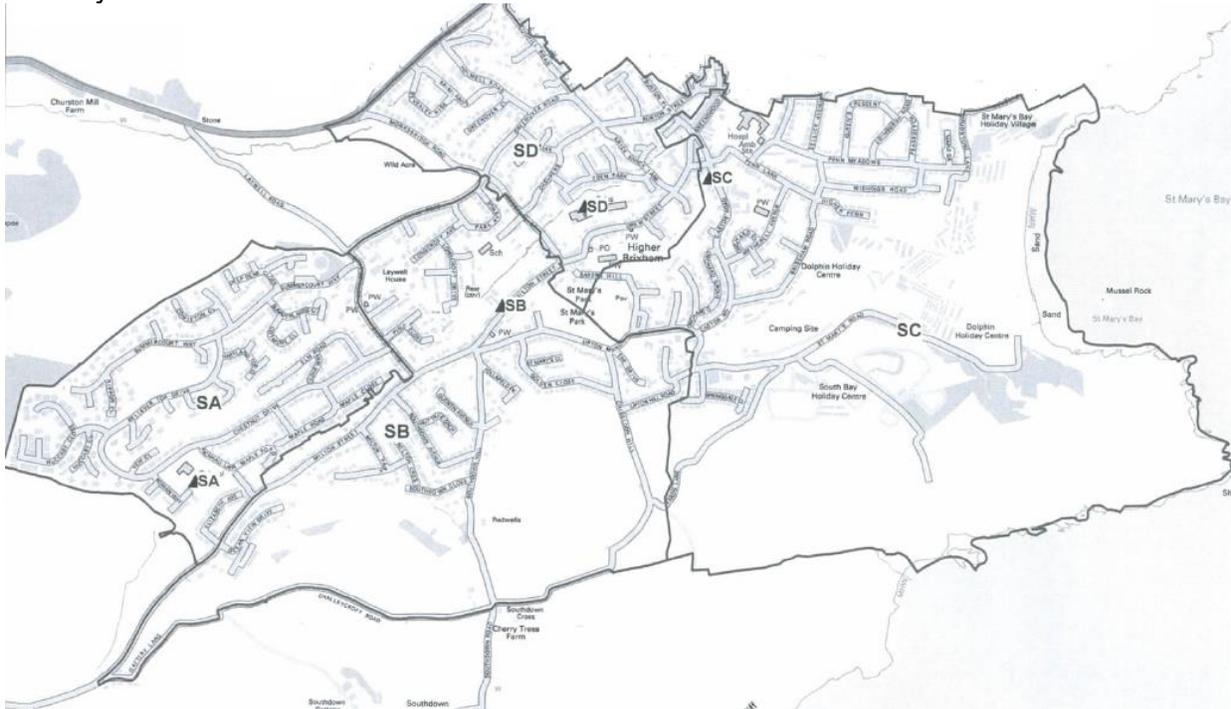

Cllr Rosemary Clarke, Brixham Town Council Chairperson 2017 – 2018

Ward areas:

Berry Head With Furzeham

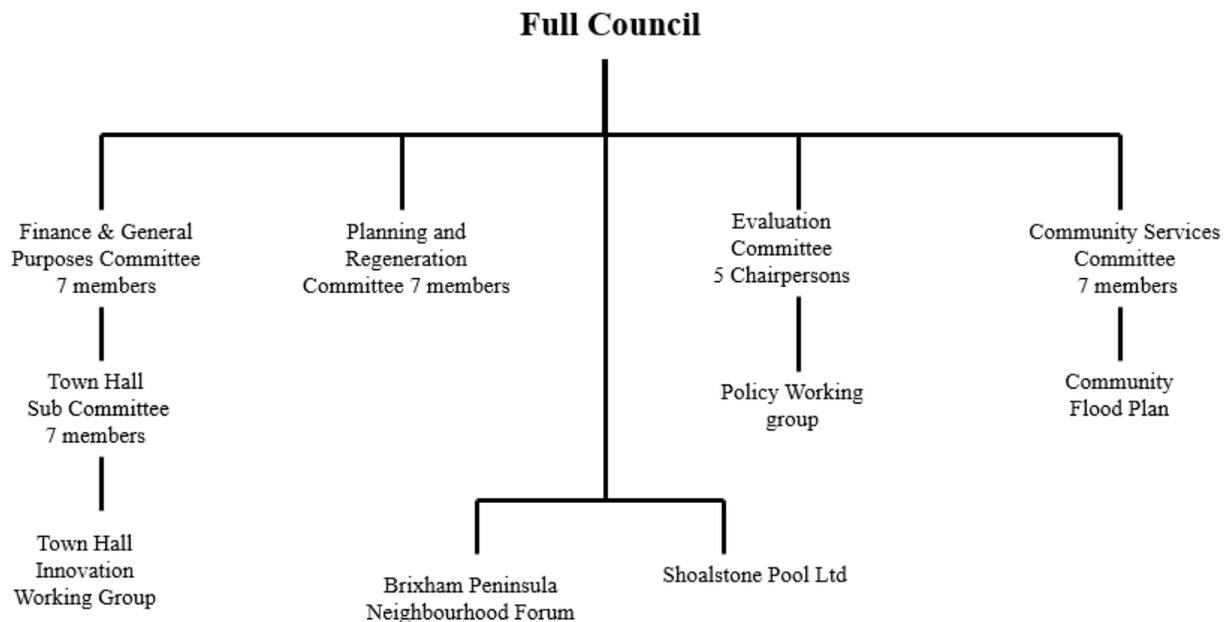

St Marys with Summercombe

The membership of the Town Council:

- Paul Addison
- Victoria Campbell
- Ian Carr
- Rosemary Clarke *Chairperson 2017/18*
- Steve Clutterbuck
- Mark Day (*since August 2017*)
- David Giles
- Mike Morey
- Jill Regan
- Jessica Stock *Vice Chairperson 2017/18*
- Jackie Stockman
- Jacqui Wilbraham

Committee Structure

The Brixham Signal

The newsletter is produced by the Town Council staff, issued quarterly and is delivered by Royal Mail. The deadline for submission of articles and information is one month prior to the publication dates of 1st of January, April, July and October. Articles, non-political, should be no more than 250 words and can be submitted by any community group in Brixham. Articles and letters are welcome but would be subject to space and editorial control for publication.

A copy of the newsletter is also available on our website and there are a small number of spare copies kept in the Town Council office.

Allotments

The Town Council undertakes the administration and monitoring of the allotment gardens. Brixham Town Council has a policy of 'one person one plot' to enable those on the waiting list to more readily get an allotment. The Stoney Park Allotment Association works closely with the Town Council with regard to waiting lists and availability.

All Town Council allotment gardens are monitored once a month, except during prolonged periods of bad weather, especially in the winter, and plot holders who are not cultivating their plots adequately are contacted to ensure that no plot falls below standard or into disuse.

There are five Town Council run allotment gardens in Brixham:

1. Dixon's Land.
2. Wall Park.
3. Drew Street.
4. Mount Pleasant.
5. Penn Lane.

Social Media

There are a number of ways to keep up to date with Brixham Town Council's activities within the Social Media. We have of course an excellent website, which has recently been revamped, where you can view all agendas, minutes and reports for each of our meetings.

The Town Council boasts the additional facility of the Community Events Diary. There has been an increase year on year for this facility and all groups are actively encouraged to use the calendar to advertise their events during the year.

This year, the Town Council has upgraded the facilities for hire feature on its website. You can now view details of each room as well as seeing current pictures or videos and we have an online calendar which shows when each room is available to hire.

The Town Council also has Facebook, LinkedIn and twitter sites giving notification of forthcoming meetings and events.

Brixham Town Hall

Brixham Town Council acquired the Town Hall in July 2012. Since this time, the Town Hall has seen many changes with tenants and décor. The Town Council moved offices from the Old Police House in November 2017 and are now based on the first floor of the Town Hall. The offices can be accessed either via the front stairs or the lift.

There are rooms available to hire, from office space to meeting rooms both formal and informal. The Town Hall also boasts a Function Room which is used as the Theatre Bar and Brixham Does Care café as well as the redecorated Scala Hall which has a capacity of 200 people. Details of all of our rooms are available online or in our quarterly newsletter.

In addition to these rooms, the Town Hall has a stunning Theatre where a variety of performances takes place throughout the year. The Theatre is under new management and Brixham Town Council are proud to support Brixham Theatre CIO who are working hard to secure the future of this much-loved facility. For more information about shows in the Theatre, please visit www.brixhamtheatre.uk.

Meetings

All meeting dates are advertised in the Brixham Signal and on the Town Council website, they are open to the public and prior to the start of each meeting, members of the public are given an opportunity to speak to the Council.

The Council has held ten Full Council meetings over the past nine months with an average attendance by Councillors of 79%.

Town Lengthsman

What is a Lengthsman?

The modern Lengthsman scheme is the re-incarnation of an old concept – a locally employed person to carry out maintenance tasks identified by the local community as important. It enables an enhanced local service with local priorities. The work may be expanded to tackle other small-scale maintenance work, either directly or jointly with the local community.

Our Lengthsman service is going from strength to strength. He is out in our Town clearing litter, cutting grass, clearing weeds and pruning hedges. Initially, the Lengthsman was reacting to work being reported to us. Now that the role has been established, the Town has been divided into zones and he works in specific zones as part of his work schedule. If you have any work requests, please contact the Council office with the details. Unless the request is urgent, it will be put on his work schedule and dealt with when he is in that area.

Please note: It is not the intention for Brixham Town Council to take over from TOR2, but to supplement the work that they do ensuring that Brixham remains clean, tidy and welcoming to not just visitors, but locals too.

Neighbourhood Plan

Representative – Cllr J Stockman

Since the consultation last year, the Neighbourhood plan has been submitted to Torbay Council. An inspector has been appointed to examine the Neighbourhood Forum and once the Brixham Peninsula Neighbourhood Forum have had an opportunity to make any changes as recommended by the Inspector, a referendum will be held.

Torbay Council will announce the date of the referendum and Brixham Town Council will help to ensure that as many of our residents as possible are also aware of the date.

The referendum is important to not just the Brixham Peninsula Neighbourhood Forum but to our town and the surrounding peninsula. The Neighbourhood plan has been developed by the local community and will influence the planning of our area. If the plan is approved at the referendum, it will have the same legal status as Torbay Council's Local Plan and will become part of the statutory development plan. This means that any applications submitted for planning permission must be determined in accordance with the development plan, unless material considerations indicate otherwise and it will be the decision made in each case to determine what is a material consideration and what weight to give to it.

Planning and Regeneration Committee

Chairperson - Cllr I Carr

The past year has been a busy one for Brixham Town Council's Planning Committee. In our role as a statutory consultee, we have responded to a number of larger applications either within or close to the boundaries of the Town Council's area. This is in addition to responding to each of the numerous smaller planning applications that fall within the Town Council's boundary.

We have continued to be firm in our responses to Torbay Council, with the aim of achieving both good design and sympathetic sustainable development that enhances Brixham and its economy for the benefit of visitors, residents and businesses alike. This is particularly important in the town's two Conservation Areas. The Brixham Town Conservation Area remains on Heritage England's 'At Risk' register and our responses to applications made within the conservation area have been made with the aim of protecting and improving the historic and architectural character of the town.

With the Brixham Peninsular Neighbourhood Plan now close to being put to a referendum, we look forward to an even stronger mechanism being available to both this committee and Torbay Council's planning officers, allowing us to protect what is special and unique about our town.

It is worth remembering that anyone living within the town council boundary is able to attend the Planning and Regeneration Committee, whether they wish to comment on a particular application or not. The dates are available on the website.

Finance and General Purposes Committee (F&GP)

Chairperson – Cllr D Giles

As in past years the Finance and General Purposes Committee has scrutinised all expenditure of the Council and sought to make savings wherever possible, while continuing to offer support to key organisations and groups within the town.

Perhaps the most gratifying aspect of our work over the past 12 months was the significant input provided by the community during our Budget and Precept Consultation period in the autumn of 2017.

The feedback provided enabled the council to increase support for Brixham Does Care, Brixham Theatre and Brixham Heritage Museum while also being able to continue providing financial assistance to Shoalstone Pool, Brixham Foodbank and Youth Genesis.

The community also backed the council to provide £10,000 towards the provision of a Dial-a-Ride bus service reconnecting Brixham with other parts of the Bay and specifically Torbay Hospital.

Additionally, the money allocated in the 2016/17 budget for the provision of an Information Point has enabled the council to launch the service at Brixham Heritage Museum, which will be open shortly, and we look forward to further feedback from the community so that we can continue with it and improve its content.

Our grants and events funds have supported such annual delights as the Pirate Festival and Brixham Hap'nin' along with other important innovations such as the Town Council's Community Health Working Group.

Grants have been given to:

Group	Amount	Project Details
Brixham Community Partnership	£150.00	
Brixham Fairtrade Working Group	£250.00	

Brixham Gig Club	£5,000.00	
Middle Street Traders	£400.00	
Mr C Myers	£1,000.00	
Friends of the Vigilance	£3,510.84	
Pride in Brixham	£500.00	
Royal British Legion Brixham	£500.00	
	£113,310.84	
Grant Budget	£20,000.00	
Balance	£8,689.16	

Community Projects funding has been given to:

Group	Amount	Project Details
All Saints Church	£220.00	Support to run the Church Clock
Brixham Does Care	£5,000.00	Support towards their rent
Brixham Heritage Museum	£4,000.00	Support towards the cost of their expenditure
BTC Community Health Working Group	£3,000.00

Youth Genesis	£4,365.29	
	£24,871.99	
Budget	£30,000.00	
Balance	£5,128.01	

Community Events funding has been given to:

Group	Amount	Project Details
Brixham Hap'Nin'	£4000.00	Support for their event
Brixham Pirate Festival	£5,000.00	Support for their event
Indigos Go Wild	£500.00	Support for their event
	£9,500.00	
Budget	£10,000.00	
Balance	£500.00	

Members' Allowances

Brixham Town Council ('the Town Council') in exercise of the powers conferred by the Local Authorities (Members' Allowances) (England) Regulations 2003 made the following scheme:

Brixham Town Council Members' Allowances Scheme whereby for each year a basic allowance shall be paid to each Councillor and a Councillor may elect to forego any part of his or her entitlement to an allowance under this scheme.

Allowances paid to Brixham Town Councillors for 2017 - 2018 were as follows:

R Clarke	£240.96
I Carr	£240.96
V Campbell	£240.96

J Regan	£240.96
J Wilbraham	£240.96

All other Councillors elected to forego their entitlement to an allowance.

The budget categories and amounts were agreed in February 2018 to set the precept for 2018/19.

Community Services Committee

Chairperson – Cllr P Addison

The Community Services Committee met regularly throughout the year during which time they dealt with amongst others: -

- Reviewing the Christmas lights and Fireworks of 2017 then putting forward ideas for 2018.
- Monitoring Torbay Councils asset list and making representation where appropriate.
- Maintaining contact with the Flood risk group.
- Keeping an ongoing review of the Signal as well as the Council's Web site.
- The committee also considers nominations for Civic Awards.
- Organising an event for the 100th Anniversary of WW1.

Evaluation Committee

Chairperson – Cllr J Stock

One of the roles of the Evaluation committee is to consider personnel issues and recruitment. In this regard, it has been a busy year. The workload of council officers has continued to increase for numerous reasons, such as the need for services no longer supported by Torbay Council, the management of the work of the lengthsman, the taking over of the Brixham Seaworks, the number of projects on-going around the town, and just the general volume of phone calls and visits from members of the public. To help cope with this increased workload, the council has taken on a part-time receptionist, and Kerry started with us in February. We have also had a change of personnel in our admin assistant role and Clare started with us very recently in April. Finally, with the setting up of the Information Point within the Museum, we have extended the receptionist's hours, to support this additional service.

With the taking on of the Seaworks area, this gave the council a great opportunity to provide a more accessible space for the BTC office, and from November we have been based at the front of the Town Hall, still on the first floor, but now accessible by lift to give disabled access. This better position has in itself meant an increased footfall through the door.

To provide more efficient and streamlined office services, BTC back in April 2017 invested in a management system EDGE, specifically designed for councils. This has been gradually introduced over the past 12 months, and has helped considerably with the financial management, allotment issues, and general workload. Training is still on-going as the various modules of the software come online.

As well as the changes of personnel within our BTC office, we have also had a new council member. Sophie Walker-Haworth moved from the area in April 2017, and Mark Day was co-opted onto the council in August 2017. With a background in the fisheries industry, Mark has become a valued member of our council team.

Another important role of the Evaluation committee is the continued monitoring and reviewing of the Town Council policies. We have considered steps needed to comply with the new General Data Protection Regulations, introduced a capability policy, a stress policy, a CCTV policy and looked at the roles and responsibilities of councillors on outside bodies. We then reviewed existing policies throughout the year.

We have also set up the Service Level Agreement with Youth Genesis to provide youth support services within Brixham, and considered the management agreement with Torbay Council with regard to the Shoalstone Overflow carpark.

Finally, and very importantly, we have kept an eye on how we are doing overall as a council, to follow the strategy set out at the beginning of our term of office. Some things have been achieved, others we are still working towards, and we have been considering the priorities for the coming year.

Community Emergency Response Team (C.E.R.T.)

Representative: Cllrs P Addison and J Regan

Emergencies happen. Local emergency responders will always have to prioritise those in greatest need during an emergency, especially where life is in danger. There will be times when you may be affected by an emergency but your life is not in immediate danger. During this time, you need to know how to help yourself and those around you. By becoming more resilient, our community can complement the work of local emergency responders and reduce the impact of an emergency on the community both in the short and long term.

To date the team, supported by Brixham Town Council have developed a flood plan.

Flooding

600 properties are at risk of flooding in Brixham. Flooding can be devastating. There have been several major flood events within Brixham over the years. Heavy rainfall in 2004 caused the Higher Brixham Watercourse to flood 15 properties. 13 properties were flooded in October 1993 when a flash flood resulted in a 2 foot wall of water. In Brixham, there is a high risk of flash flooding from rivers, surface water and from combined sewers overflowing, as well as coastal flooding.

Brixham Town Council have two nominated Councillors as a point of contact on the team and training sessions are held for Councillors and volunteers on the flood plan. As well as this, the Council has purchased essential equipment for flood wardens.

Advice on what to do before, during and after a flood is on the Town Council website, along with an Emergency Telephone Directory that lists who does what during a flood and their emergency contact numbers.

Next Steps

This year we have seen unprecedented weather conditions with Brixham being cut off by snow. This has highlighted a need to develop the flood plan into an emergency plan which will identify risks to our community and how we are prepared for such an emergency.

The Town Council has allocated ear marked funds within the reserves in the event of a Town emergency. However, there is a need for volunteers to be part of this group. The group will assess the community skills and resources, promote and encourage new volunteers to join the team, work with Torbay Council's emergency planning team and identify key locations within the town as a safe place for people to shelter.

Please continue to support the Flood Plan group. If you would like to get involved in the Group or volunteer to be a Flood Warden or a member of the Community Emergency Response Team, please get in touch via the Town Clerk.

Town Hall Sub Committee

Chairperson: Cllr S Clutterbuck

The Town Hall Sub-Committee reports to the council's Finance & General Purposes Committee.

Its principle remit is to support and encourage use of the Town Hall, Scala Hall and Theatre as a community resource and to negotiate and agree leases for all of the council's long term tenants within the Town Hall complex.

The Committee meets approximately on a quarterly basis or on such occasion as a specific need arises.

The sub-committee also has an Innovation Working Group which meets from time and reports back to members.

The Pannier Market is once again under new management and already new products have appeared in the Scala Hall which have found favour with users and we look forward to its steady progress in the future.

The Feasibility Study for the development of the Town Hall is close to completion and the council are in discussions with key stakeholders of the building ahead of a public consultation process.
