### Purpose of Report

To discuss and consider purchasing the following equipment.

### Agenda Item 7 (a)

Scaffold Tower

### Equipment Required

UTS One Man Tower. Designed to fit through narrow hallways and corridors with a maximum working height of 6.1 metres. The Facilities Manager has completed the necessary training. Cost £1,208.33 + VAT

### Recommendation

To purchase the equipment listed above.

### Agenda Item 7 (b)

PAT (Portable Appliance Testing)

### Equipment Required

Standard PAT Testing kit supplied with the PB500 PAT Tester. The company offer free training.

Cost £270 + VAT. Annual calibration service £64.50 +VAT

There is a potential income opportunity loaning the equipment/ service to hirers and tenants.

**Recommendation**

To purchase the equipment detailed above.

**Agenda Item 7 (c)**

IPAF (International Powered Access Federation)

**Training Required**

One day training for two employees (Facilities Manager and Lengthsman Supervisor). Includes registration onto the AITT database Acorns, cards and certificates. This would enable the Town Council to hire a cherry picker as and when required for a cost of £80 (the cost would come out of the R&R budget).

Training cost £350.00

**Recommendation**

To proceed with the training.
