22040	<b>Standing Orders</b>
22041	<p><b>Breakwater Beach Rubbish Bins (Cllr Massey)</b> Cllr Massey advised that she has received three complaints from residents highlighting concerns that the bins currently in place are an obstruction, in need of repair and there is no place to recycle plastic.</p> <p>Members queried if the area is managed by the Harbour Authority or Torbay Council. Members were concerned about the environmental impact due to the lack of suitable bins in the area.</p> <p>It was <b>resolved</b> to contact Torbay Council's to request an officer attends the Breakwater Beach and undertake an assessment of the area.</p>
22042	<p><b>Shared Crossing (King Street)</b> Cllr Leach raised concerns about the safety of pedestrians, cyclists and motorists using The Strand and King Street because of the lack of space. This is specifically evident for pedestrians as the walkway is limited and during the busier months pushes pedestrians into the street. It was noted that the Zebra crossing is on a corner and you cannot clearly see approaching traffic when crossing the road.</p> <p>Shared spaces are intended to slow traffic down, allowing pedestrians, cyclists and motorists to move safely. The basic premise is that when vehicle users have to share space with pedestrians, they will naturally drive more slowly and cautiously, so reducing accidents. This allows pedestrians, cyclists and motorists to have equal ownership of the street and to benefit from an improved experience.</p> <p>It was noted that investment is being made in Torquay (The Strand) and Paignton (Torbay Road) to create pedestrian areas and it would be helpful to understand how they plan to control the traffic.</p> <p>It was <b>resolved</b> to request to Torbay Council that the scope of work being completed to create pedestrian zones in other locations also includes a review of the Brixham Harbour area to develop a better experience for all.</p>
22043	<p><b>Year Planner</b> The Committee Year Planner was noted.</p>
22044	<p><b>Land adjacent to the West of Green Gables, Gillard Road, TQ5 9EW</b></p> <p>Members discussed the proposal for development on Land adjacent to the West of Green Gable, Gillard Road which was received from a member of the public. This is not a formal planning application but</p>

	members were in agreement that they would not be supportive of any development in a designated AONB.

The decisions, including reasons for refusal, were noted.</p> <p><b>B) To note any planning applications that have gone to appeal, or any appeal decisions made.</b></p> <p>Members noted that planning application P/2021/0586 has lodged an appeal. The Town Council's initial response was noted and no additional comments were put forward.</p> <p><b>C) To consider any planning applications to be put to Torbay Council Planning Officers as outlined in the planning applications for consideration report.</b></p> <p>All applications contained in the report 'Applications for consideration' were considered and recommendations are contained in Appendix one of these minutes.</p>
